Agenda

- Announcements/reminders/updates
- Winter quarter award nominations
- Review and discussion of faculty candidates for in-person invitations (see 1/4 email and materials) (Pfaendtner)
- **Closed Session** – Faculty discussion and vote on faculty member reappointment (Pfaendtner)

Announcements

- Graduate recruiting schedule for February 23 – 26
- More details soon, please mark Friday, February 24th on your calendars!
- Additional update on Happy Hour

Reminders: UG Program

- **Reminder:** Faculty are prohibited from asking for or accepting medical notes. Guidelines about how you can handle or accommodate health concerns that impact course assessments (HW, exams, etc.) can be found [here](#)
- **ABET Reminder (Core UG courses only):** Check-in with Stu, re: ABET PIE assessments if you are teaching a core UG course.
- **UG program outreach reminder:** Faculty members were emailed after the faculty retreat with a target date for completing individual outreach/recruitment assignments by end of Winter quarter. Please reach out to Jim, Dave, or Nicole if you need assistance.
- **Course peer review (Core UG courses only):** Spring 2022 and Autumn 2022 faculty will receive emails shortly requesting materials. Peer review will be scheduled for mid-late Spring 2023.

Winter Quarter Award Nomination

- Nominations sought for three alumni awards: Moulton Distinguished Alumnus in Industry, Moulton Distinguished Alumnus in Academia, and Early Career Impact Award
- UW ChemE Early Career Impact Award criteria: 15 years from terminal degree in our department, i.e. 2007 for 2022 award.
- **Process:** Discuss each category and nominees; **Nominations due 2/6; Desired vote on 2/13**

Review of Faculty Search candidates

- Discussed broad range of candidates and their areas of impact. Discussion continued regarding the meeting of search candidates and who to bring to campus.

Closed Session – Reappointment vote
