UG Program (Nance)

Summary: Undergraduate Advising Guide has been updated. Please find the guide in your inbox as a PDF.

Advising Feedback:

- Degree audits for each student are currently compiled each quarter and shared with professors prior to advising meetings.
- Our Current process is time intensive. We would like to sound out the utility of this process via your input, i.e.:
 - Do you use the degree audit in your advising of each student? If so, how? What information do you specifically look for or review?
 - What information is most useful to you to facilitate advising of individual students.

Google Drive Update (Chiem/Pfaendtner)
